PATIENT PREPARATION

Please bring any relevant imaging and reports to your appointment.
Please phone to make an appointment.

☐ **CT SCAN WITH CONTRAST:** Please fast for 4 hours prior to your appointment time. Proceed to drink 4 glasses of water during this 4 hour period

☐ **ULTRASOUND PELVIS, RENAL & OBSTETRICS:**

1. Empty bladder 90 minutes prior to appointment time.
2. After emptying the bladder, drink 6 glasses of water within the next hour. Hold your bladder until appointment time. A full bladder is required for these examinations.

☐ **ULTRASOUND ABDOMEN:** Fast for 8 hours, nothing to eat, drink, chew or smoke prior to appointment. Small sips of water and medication allowed.

☐ **MAMMOGRAPHY:** Do not wear deodorant or powder before your exam. A two-piece outfit is preferred, as you will need to remove everything from the waist up.

☐ **MRI:** As advised by booking clerk.
